

Prof. Dr. Harish Chandra Mohanty
– A Person to whom the School
remembers for his support and inspiration

Sri Sathya Sai School , K.V.K. Road , Cuttack was established on the Guru Purnima day , 1983 . By the grace of Bhagawan Sri Sathya Sai Baba , the School marched forward and has now landed in a platform of reputed school of Cuttack.

Professor Dr. Harish Chandra Mohanty, the then the Professor of S.C.B. Medical College is the founder President of the School. All the infrastructural development and the remuneration of the Employees could have not been possible without the contribution of Dr. Mohanty. His selfless contribution has allowed the School stand with a good building, necessary furniture, Science and Computer Labs, a good Library and Play materials. Although he has retired from Govt. Service, still he is contributing his selfless services to the Institution.

The institution thankfully acknowledges his contribution.
